

Danderine

Grows Hair
and we can

PROVE IT!

The Great DANDERINE Never
Fails to Produce the
Desired Results.

It cleanses and invigorates the hair
glands and tissues of the scalp,
resulting in a continuous and
increasing growth of the hair.

Letters of praise are continually
coming in from nearly all parts of
the country stating that Danderine
has renewed the growth of hair in
cases that were considered abso-
lutely hopeless.

A lady from Brooklyn writes:
"After a short trial my hair stopped
falling, and I now have a lovely head
of hair, very lustrous and over one
and a half inches long."

Danderine stimulates the scalp,
makes it healthy and keeps it so.
It is the greatest scalp invigorator
known. It is a wholesome medicine
for both the hair and scalp. Even
a small bottle of it will put
more genuine life in your
hair than a gallon of any
other hair tonic ever made.
It shows results from the
very start.

Now on sale at every drug and
toilet store in the land; 3 sizes

About Phoenix People

Charming in its every appointment
was the tea given Thursday by Mrs.
Stephen W. Higley, Mrs. William Pin-
ney and Mrs. James M. Sweetman at
the spacious Higley residence on North
Sixth street. The decorations were un-
usually elaborate, a veritable flower
garden met the eye on entering. In the
reception hall huge jardineers of
American beauties were used, while
ropes of simlax gracefully entwined
the stairway and chandelier. In the
receiving room and punch room pink
was the color scheme, carried out with
la France roses and sweet peas. The
bay window formed an attractive al-
cove for the punch table which was a
mass of pink sweet peas and hanging
baskets of roses added to the artistic
effect. Yellow was the decorative color
in the dining room. The room was
darkened and the yellow shaded incan-
descent lights cast a golden hue over
all. The mantle was banked with
honeysuckle and clusters of yellow
roses and the centerpiece of the tea
table was a bowl of the same colored
roses, surrounded by greenery. The
hostesses were assisted by Mrs. J. S.
Jencks, Mrs. W. S. Goldsworthy, Mrs.

Summer Rates at Kalsman's

The present hot spell seems to be of a permanent
nature—this means that the slack season is at hand.
Consequently I have decided that on and after April
25th Summer rates on suits shall be in force. This
means quite a saving to you—yet you may rest as-
sured that workmanship, fit and finish will not suf-
